On February 8, 2021, City Council introduced this ordinance, for which this agenda item is the second reading. City Council also adopted a resolution that established the maximum number of allowed cannabis businesses and buffers from sensitive uses. The maximum number and buffers from sensitive uses was purposely put into a separate resolution, as opposed to being put directly into the ordinance, in order to allow the City Council the opportunity to adjust these numbers over time as needed. **This ordinance does not impact the buffers or number if cannabis businesses allowed.**
